Term 2 disappeared in a blink of an eye but so much has happened. Since last Mac Chat we have started Year 12 Trial HSC. This is a hugely stressful time for students and parents. Tuesday afternoons the Library is still open and the support teachers are available to support students who are struggling. For all those parents who have children in Year 7 and are thinking this is such a long time away, can I tell you that your child will be sitting the Trial HSC before you blink. To make this point even more real next week we are holding subject selection for Year 8 into Year 9 and Year 10 into Year 11.

This year we have the Trade Training Centre Subject Selection Night for Year 10 students to explain VET (Vocational Education and training) and the courses offered off line on Tuesday afternoons at Elderslie, Camden and Elizabeth Macarthur High Schools. This is on tonight (17th June) at Camden High School. On Tuesday 24th June we have the Year 8 & Year 10 Subject Selection Night. On Tuesday 28th June Term 2 finishes and on Tuesday 16th July Term 3 Returns.

FROM THE PRINCIPAL....

P & C Meeting 7pm—9pm 17/6
Year 12 Trials 17/6—28/6
Year 10 Work Experience Week 17/6—21/6
VET/SBAT, Apprenticeship Year 10 Information Night (Camden HS) 17/6
Year 8 & Year 10 Subject Selection Night 24/6
Term 2 finishes 28/6
Term 3 Returns 16/7

Maddison wins TAFE Award

Congratulations to Maddison Bracken in Year 12 who received the Vocational School Student of the Year Award at the TAFE Awards night held recently at the Campbelltown Catholic Club.

Evin Priest from the Macarthur Chronicle writes “Maddison stole the show taking out Vocational School Student of the Year Award after receiving her Certificate II in Tourism”

She is now inspired to pursue a career in journalism through university.”

Congratulations Maddison!

“At Elizabeth Macarthur High School, we are focused on making a difference to the lives of the students we teach, enabling them to be innovative 21st century learners.”
Monday 24th June (Week 9) we have the Year 8 and Year 10 Subject Selection Information Evening.

At our school, student choice sets the timetable, students need to seek advice from the careers adviser and participate in decision day on Monday Week 9 to make good decisions about their future, so we can set a timetable that suits student needs.

From 17th June – 21st June (Week 8) Year 10 go on Work Experience which is a wonderful opportunity for Year 10 students to understand not only what their parents do every day at work but also to get an idea of what the world of work is like and try out some careers that they might be thinking about. If students want to do work experience in another career later in the year, they can do up to 4 weeks work experience and will need to see the careers adviser to organise their paperwork.

We also celebrated the wonderful talent of our students in the CAPA Extravaganza last week. This was an amazing night where Year 12 Dance and Music performed their HSC pieces and Year 10 drama also performed. I am constantly amazed by the talent and bravery of students who perform in front of a packed hall full of friends and family. We also participated in the Athletics Carnival which was a lovely day where students competed in multiple events and enjoyed a nice day outside in beautiful weather. It is times like these that students remember about their time at school and the achievements made in all areas of school.

Invoice Fee statements were mailed a few weeks ago and I want to thank all the parents that were so prompt in paying their student contributions. This support allows us to buy equipment and textbooks for students to use. As you know the NSW government signed up to the Federal Government GONSKI reforms. This will bring much needed money and resources into schools, however, we are still waiting for the outcome of the Budget and the Election to know whether the Federal Government will honour that if there is a change of government. We have not raised fees for a few years, assuming we will be getting GONSKI funding. The funding will give slight increases to school funding initially and then the funding will grow each year. In the mean time we rely on those parent contributions to maintain the level of resourcing in schools and the number of classes and subjects that we can offer.

If you have not received your invoice in the mail please contact the ladies in the office & they will investigate & mail your child’s fees to you.

Junior reports should be out in the last week of school and we look forward to see you all at the Parent Teacher nights early next term. For dates please refer to our website, or our APP that you can download from the App store, or our facebook page that you will get newsfeeds through if you like us on facebook. We will also send out a text message and note.

Kind Regards

Ms K Hedger
Principal
We are fast coming to the end of Term 2 and while it is a shorter term there have once again been many great activities and events that need to be shared with our community. I would like to acknowledge the PDHPE Faculty for putting on a very successful and enjoyable athletics carnival on May 16 for all students and staff. The weather was perfect, the BBQ was great, and it was another great showcase for our school. I would like to thank Mount Annan Quality Meats & Deli for their generous support donation for the meat donated for the BBQ.

The Annual CAPA Extravaganza held on June 6 was a very successful evening. The students performed exceptionally well & were very entertaining. Further to this I would like to also acknowledge the great work that the CAPA faculty has done in putting together the Extravaganza Evening. This again demonstrated the talent and wonderful work that our students can produce and we look forward to another night next year.

**School App**

This is now up and running and can be downloaded from the Apple store for all iPhones. An android version is also being developed and this should also be available shortly. I will put this on the website with as soon as it becomes possible. The App contains a link to the school website, the schools email account as well as newsfeeds and an updated calendar. We are currently working on the next stage which will include more information about the school as well as photos and other general information. As soon as this is ready it can be updated like any other app.

**Graduation Gowns**

The school has ordered graduation gowns for our Year 12 students; these along with a designed stole have been made and will be in our school shortly. They will compliment an already great Annual Graduation Ceremony for Year 12 students.

**TAFE partnership**

We have been able to continue our partnership with Campbelltown TAFE and they will be shortly building a wall in the common room and attach six large mirrors for our dance classes. The TAFE has been a great supporter of our school for a number of years and have completed a number of projects around the school.
Year 11

Students in Year 11 are now almost two thirds of the way through their Preliminary course and N award letters have been given out to those students who have not submitted all their work. I will be having another meeting shortly with students to remind them again of the urgency of completing all work. This needs to be completed to ensure that students are able to successfully move on to the HSC course in Term 4.

Term 3 is also a time when we will elect our new School Leadership group. Early next term I will be calling for nominations for the Prefect body and after elections are held students who are successful will have the opportunity of being considered for one of the senior leadership positions, Captain, Vice Captain or Senior Prefect.

On the weekend of the 24th and 25th May a group of nine Year 11 students attended a camp organised by Rotary at the Royal National Park at Sutherland. The camp provided students with the opportunity of participating in a range of team building and leadership activities and meeting new friends. I received a call from the camp organiser who was full of praise for our students and said they did our school proud with their participation and the way they conducted themselves.

Angelo Stasos
Deputy Principal
FROM THE DEPUTY PRINCIPAL—YEARS 8,10,12

With the end of the term fast approaching, it has been satisfying to reflect on the first two terms of the year. There have been many outstanding successes and in the coming weeks, students in Years 8 and 10 will receive their Half Yearly reports. At the same time, Year 12 will be finishing their Trial HSC Examinations and preparing for their final term of school.

With each milestone comes some stress and the opportunity to think and plan the next step carefully. For each year group, below are some key points to support families:

**Year 8**

Subject Selection night will be held at school on Monday 24\textsuperscript{th} June. The evening will be an information night about the opportunities for each student. The Year 8 session will commence at 6pm sharp so we have requested in the note sent home to families to arrive at 5:45pm. Parents and students should attend this evening. The evening will commence in the hall and after the 45 minute presentation, parents and students are invited to tour the school, see the classrooms used for elective courses and discuss the subjects on offer with Head Teachers and their staff. After the evening, students will be required to return their subject selection form before the end of the term.

**Year 10**

Year 10 students and parents are also invited to attend the Subject Selection night on Monday 24\textsuperscript{th} June. **PLEASE NOTE- The incorrect time listed on the note provided to parents. The starting time for Year 10 is 7pm, not 6pm as listed. I have sent an SMS to parents to also advise them of this error.**

The Year 10 session will be 60 minutes in length and discuss the complex curriculum pattern that students will undertake in 2014. Following the information session, parents and students are invited to tour the school and discuss the subject options with the Head Teachers and their staff.

In addition, please also note the additional information on the note provided to students. There is an additional information night that will discuss TAFE, SBAT, VET/TVET and Trade Training Centre Options (VET) a week earlier. The night is a result of the partnership with Camden and Elderslie High School and the shared facilities the 3 schools have. As outlined on the note, TAFE, SBATS, VET/TVET and Trade Training Centre Options will not be discussed formally on Monday 24\textsuperscript{th} June at EMHS. Parents and students of students considering these options are strongly encouraged to attend Camden High School on Monday 17\textsuperscript{th} June. (6pm Start) EMHS staff will be in attendance at this night.

A special congratulations to every student attending work experience next week. It is
fantastic to see over 200 students taking the opportunity to take this opportunity which includes arranging their placement with their host employer. Special thanks as well to Ms Whitfield, Mrs Noonan and Ms Bowring- our transition team who have been working overtime to complete all of the required paperwork and supporting each student. This is the biggest number of students who have attended work experience in many years and a fantastic outcome- well done!

**Year 12**

Year 12 students will commence their Trial HSC Exams next Monday. During this period, they are only required to be at school for the exams and regular classes will not run. Staff will still be available to assist students during this time.

The end of the trial period also marks the beginning of the school holidays. Year 12 students are reminded that this is a 2 week study period that will set up their final term of school. By all means take a day to relax and organise yourself for the final term, but as discussed a number of times recently this is not the time to increase hours in part time work or take a holiday.

Students requiring any advice or support can contact their teachers and I would strongly encourage parents to ensure their child has a clear study timetable set for this holiday period. As a guide, students should plan on a minimum of 7-8 hours per day.

Finally, good luck to Year 12 and for parents of students in Year 8 and 10, please take the time to discuss the results in your child’s report and ensure you book early for parent teacher night next term.

**Mr M Long**

**Deputy Principal**

---

**School Promotion**

Mount Annan Central Shopping Centre is promoting "Dollar$ 4 Scholar$" from Wednesday 1st May to Sunday 23rd June 2013. Help support our school by shopping at the centre and deposit tokens received from various specialty shop into our school bank outside Coles. We could win $10,000 that will go towards providing new facilities and resources for our students.

Click on link below (hold down CTRL key & click with mouse) for more information.

[Dollar$ 4 Scholar$](#)
YEAR 8

We have had a very busy Term 2 and there is lots still to do. Year 8 completed the Half Yearly Examination period and it was good to see many students volunteering as reader/writers for other grades.

Behaviour, attendance and participation at the school Athletics Carnival was impressive and there are multiple Year 8 students who will be representing the school at the Zone Carnival in Week 9.

Parents are reminded that the Subject Selection evening is coming up for Year 8 in Week 9 (24/6/2013). This is a very important evening to gather information on elective subjects and help students make the right choice for the upcoming years.

Half Yearly Reports will also be distributed in Week 9 and I look forward to reading about students’ progress and achievements across all subjects.

Miss Pilley
Year Advisor

YEAR 9

Miss Rico and I are very happy to report that the standard of uniform has not dropped with the cold change in the weather. Students are wearing the appropriate uniform and are following correct procedures if they are out of uniform.

Year 9 boys had their second HPV vaccination last week. If any student missed out due to absence or other circumstances, they will be given their second shot later in the year when the nurses come back, and their final dose will be administered next year. The boys were well behaved, and made it back to class quickly with minimal fuss.

Year 9 is also congratulated on their behaviour during the examination period. Students sat through significantly longer exams than last year and we are pleased that they continued to work right through the allocated time. The examination period proceeded without major incidents, and it is great to see students taking responsibility for their behaviour and education so early on in their ROSA.

As the term progresses and particularly after the exam period is over, students can become unsettled and distracted during lessons. We take this opportunity to remind them that the work completed in these last few weeks is still course work and is assessable in any of the remaining assessment tasks. We expect that Year 9 students will demonstrate their maturity by continuing to work hard and follow all instructions.

Ms C Rico and Ms N Fernandez
Year 9 Advisors
**YEAR 10**

It’s a short but busy term for Year 10. Half-yearly examinations have been completed, work experience is during week 8 and numbers of our year group have been actively participating in extra-curricular events such as zone cross country and athletics, as well as the more recent CAPA Extravaganza. We would like to congratulate those students who have been participating in these activities this term.

Ms Redmond recently had the opportunity to attend Fast Forward Program at UWS with a select few of our cohort including Lachlan Abdy, Joe Blanchette, Alex Brown, Jasmine Coleiro, Jamen De Guzman, Taylor Foster, Maddy Harvey, Victoria Hunt,

This is a program run by UWS is to assist students with entry into University. Ms Redmond was so proud of the students on the day who actively participated in activities to do with personality traits and career matches. Our contribution was so positive that Jasmine Coleiro was awarded for her involvement in the day as a standout student and she received the text that all the work was based on. Well done guys, you represented the school well.
Ski Camp Excursion

A reminder about the ski camp is scheduled for next term. The camp includes 3 days of Skiing or Snowboarding which tests students’ ability to learn new skills and cope in a new and extreme environment. We will be staying on the snow this year and will look to maximize our skiing by participating in night skiing offered. Dates for this are July 29 to August 1st - this getting close so please finalise your payments and notes as soon as possible.

Ms Redmond and Mr Anderson
Acting Year 10 Advisors
Hello everyone,

As we near the end of Term 2 it seems all too easy to relax a little and allow ourselves to become complacent. With mid-year reports out of the way, students tend to breathe a sigh of relief and let their guard down. DON'T DO IT!

Now more than ever students can gauge exactly just how well or not so well they are travelling with regards to their schooling, based on the comments teachers provided in the progress reports. We have one more Term to go before the Preliminary year is over and the HSC begins. It is imperative that every student re-evaluate their situation in consultation with parents to determine the best course of action. Ask yourselves honestly Year 11 ... Am I giving 100% and do I really want to be here?

Sadly, some students have received Assessment contracts which must be addressed ASAP! Failure to submit tasks by the due date is simply not acceptable at this level of study.

For some students, full time employment or TAFE might be the best option. Unless your child has a minimum of 25hrs employment, they cannot sigh out of school. However, students may sign out once they turn 17yrs of age. Before either of these things happen, students should seek the advice and guidance of the school careers advisor first. As always I encourage my cohort to come and see me, their Year Advisor, if they are feeling overwhelmed or unsure of the direction they are heading.

Jan Chisolm from the Fast Forward team at UWS visited our school recently to talk to Year 11 students about possible career options. The feedback from students was very positive and most felt they had a better idea of what they wanted to do with their lives at the end of it. Basically, Jan had the students complete a character profile on themselves which highlighted their strengths and weaknesses, skills and interests. They then used this new found information in conjunction with the Job Guide to narrow down their ideal career path based on their personal attributes. The session went so well, I think I will organise another visit.

Ben Minor, Ani Smsarian and Roma Sharma attended a leadership conference/workshop earlier this term and represented our school well. I would personally like to thank these three students for their professionalism and willingness to be involved in extracurricular activities.

Next term we will be looking at nominations for Senior Prefects and Captains. I encourage all Year 11 students to start thinking seriously about preparing for this and actively become involved in school activities to demonstrate your commitment and desire to be a valued, productive member of our cohort.

Uniform remains a concern. Parents please ensure your child wears the correct school uniform. They are senior students who must lead by example.

I wish you all an enjoyable break and look forward to seeing you in Term 3.

As always ...
"If you haven't got something nice to say, don't say anything"
and
"Do unto others as you would have them do unto you"

Ms Jacqui Bowring
Year 11 Advisor
**YEAR 12**

Good luck Year 12!

Year 12 are about to commence their Trial examinations in Week 8 and 9 this term. They should be using all available time between now and then making sure they have all their notes together and have a regular study schedule to follow. If they don’t, they should see their classroom teachers and Year Advisors for assistance.

There are also many events that have already occurred this term to help prepare Year 12 for the examinations and beyond. Year 12 Business Studies, Modern History and Ancient History are attending all day seminars to best prepare them for the Trials and give them a head start for the Higher School Certificate.

Our school leaders have been attending forums in Sydney with others from across the State on dealing with stress in order to support their cohort at this challenging time. Furthermore, our Christian Hope had his photo taken with Russell Matheson for his efforts in recycling old mobile phones.

Students are advised to cut down on work and sport commitments at least for this period. Year 12 are the priority of all teachers so they should be making use of this resource and consistently submitting study notes/practice questions/practice essays to their teachers for feedback. Past papers in all subjects are available on the BOS website and students should be completing and submitting these in preparation for the Trial Examination and the HSC. The Year Advisors and Teacher Librarian, Ms Cripps are available for further support or advice.

In the holidays, the local councils are running HSC lectures. Some are free and some are $7.50. All year 12 students were given a flyer with the dates and venues and are encouraged to attend them. If you do not have one, please see your Year Advisors ASAP! Good luck for the next few weeks!

*Ms J Challenor and Ms S Corscadden*

*Year 12 Advisors*

Year 12 Trial Examinations, 2013.

Dear Parents and Students,

As you are aware, the Year 12 Trial Examinations commence on Monday, 17/6/13 (Week 8, Term 2) and conclude on Friday, 28/6/13 (Week 9, Term 2). Normal lessons resume on Tuesday, 16/7/13 (Term 3). This examination period is regarded with high importance as the examinations act as both a major component within school-based assessment in most courses as well as being a valuable rehearsal for the Higher School Certificate Examinations to be held later this year.

Please note the following:

Elizabeth Macarthur High School

1. All students are expected to attend their examinations as indicated on the attached timetable.
2. Students are expected to present themselves at least 15 minutes prior to the commencement time of any examination.
3. Full school uniform must be worn to each examination.
4. In the event of sickness or misadventure, the school must be notified on the morning of the affected exam. A Doctor’s Certificate (for illness) and a misadventure form must be presented and it is the responsibility of each student to negotiate a replacement examination time with the Head Teacher of the affected faculty area if this is deemed appropriate. This must be done on the next day of attendance at school (for examinations or lessons).
5. The possession of mobile telephones, iPods etc. is forbidden inside the examination venue.
6. Exam conditions commence immediately upon students entering the examination venue. It is expected that students behave appropriately and talking or communicating in any way is forbidden.
7. There is no eating or drinking within the examination venue. This includes chewing gum.
8. Students are to enter with the appropriate materials for each examination. No study materials or paper may be brought into the venue and borrowing of equipment (such as calculators) is forbidden. All writing paper and examination booklets will be supplied.
9. School bags must be placed in the designated areas for each examination. Bags are not to be brought to the examination desk.
10. All written examinations include 5 minutes reading time (English = 10). During this time no writing is permitted.
11. Students are only required at school on their examination days. In the event of an exam-free day, students may remain at home to study. At the completion of an exam, students may return home for private study.
12. In the case of practical examinations, students should discuss arrangements with his/her class teacher.
13. Normal lessons resume on Day One, Term 3 (16/7/13).
14. Failure to adhere to any of the above conditions may result in removal from the examination venue and the awarding of zero for that examination.
15. Good luck to all students.
Public Speaking Competition

CONGRATULATIONS Joshua Costlow and Samantha Harkness who have been selected to enter the South Western Sydney local final for the Legacy Junior Public Speaking Award at Macquarie Fields High School on Wednesday, 24 July 2013. These students will be completing with schools from our region for a place in the state final later this year. Good luck in your preparations in the coming weeks we wish you well.

The Removalist Excursion

Year 12 Drama and Year 11 English students from Ms Redmond and Ms Bentley’s English Standard classes visited Tamarama Rock Surfers Theatre Company, Bondi Pavilion, Bondi Beach on Tuesday, June 6 for a realist drama production by play write David Williamson. The students caught public transport to and from the event including change over between bus and train services with ease. When asked what they thought of the performance Jesse Brown said, ‘It was good’. Followed by a question and answer discussion with the actors, students were able to engage with authentic experiences in the development of the close study of the text for their stage 6 course engagement. The students represented the school in an excellent manner and are to be commended on their efforts on the day.

HSC Trial examinations.

The English Faculty would like to take this opportunity to wish all of Year 12 the very best in their upcoming HSC trial examinations. Study hard and you will reap the rewards. Please see your teachers if you have any concerns or problems. Good Luck !!!!

Mrs M Morrissey

Head Teacher, English
The Careers office this term has been extremely busy supporting our students’ vocational needs through Year 10 Work Experience to Year 12 Post School Pathways preparation, organising guest speakers and the Macarthur Careers Expo.

Year 10 Work Experience
All Year 10 are expected to attend work experience from Monday 17th to 21st June. We are delighted that 80% of the students have already submitted their paperwork on time. The SBAT students in Year 10 will be undertaking additional paid work for their apprenticeships during that week. Year 10 TVET students are reminded that they must still attend TAFE during work experience and inform their host employer of this obligation.

Current TVET Students
Congratulations to Maddison Bracken for winning the TVET Vocational School Student of the Year Award for South West Sydney. Maddison received her award at the Campbelltown Catholic Club on Thursday 6th June.

Just a few reminders for current TVET students in Years 10-12.

* **Block Delivery** TVET has a compulsory block delivery for courses in Week 9: Monday 24th to the Friday 28th June. Students will be informed by their TVET teacher as to the days and times that they must attend during that week. Normal TVET classes will not be held during this week and only students involved in block delivery will be required to attend. If there is no block delivery in a student’s course they will be expected to attend normal lessons with the exception of Year 12 who are involved in trial exams in Weeks 8 and 9.

* **Warning Letters** Some students have received TVET warning letters for missed classes, poor attendance or absences for assessment tasks. Students must have their TAFE teacher complete the ‘Confirmation/receipt’ page to the TVET Co-ordinator Mrs Noonan for forwarding to the TVET Central Management Unit.

* **Notified Absences**. If students know they will be absent from TAFE due to sporting commitments, VET Workplace or a medical appointment they MUST see Mrs Noonan the week prior to that class. This avoids hours of work making phone calls to chase students who don’t attend their TAFE class.

* **Driving to TAFE** Parents and students are reminded that students are not permitted to drive to TAFE without the prior written request and approval of the Principal.

Congratulations to the 31 students who had 100% attendance at TAFE last term. These students have received a letter commending them for their dedication to their TAFE studies.

TVET 2014
Year 10 have already received information and expression of interest forms for the 80 courses that are available next year across the 7 Institutes in the South West Sydney Region. TVET (TAFE Vocational Education) courses can be studied as part of the HSC pathway and many count towards an ATAR. When choosing courses students should consult the TVET course booklet carefully and discuss their options with the Careers Advisors. There are a number of types of courses offered by TAFE including 120 hours (2 units), 240 hours (4 units delivered either in one year or over two years) and 360 hours (6 units completed over 2 years). Several courses have mandatory work placement requirements.

Students entering Year 10 in 2014 are also eligible to study a TVET course as part of Early Commencement for the HSC. However, students should realise that they do not have study periods until they commence Year 11 and there is an increased workload which needs to be managed. The advantage is that they can sit for an HSC subject exam in Year 11 if the TVET course contributes to an ATAR.

The benefits for studying at TAFE include preparation for moving into an adult learning environment. They can try a course to see if you are vocationally suited to it or as a definite pathway to your chosen career and as part of a School Based Apprenticeship or Traineeship (SBAT). There are also courses that
cater for students with special needs and parents should contact the school to discuss these options.

The Careers Advisors will be available on Monday 24th June at the Year 10 Subject Selection Night and will be only too happy to answer any questions parents and students might have. Representatives from some of the universities will also be in attendance on the night.

Mrs Noonan will also be attending the Macarthur Trade Centre evening for Year 10 students at Camden High Hall 6-8pm to answer any TVET or SBAT questions.

**SBAT**

School Based Apprenticeships and Traineeships are also available to students. This involves a student attending TAFE 1 day a week, engaging in paid work 1 day and school for the other 3 days. They are available to students in Years 10, 11 and 12. Students who commence SBAT in Year 10 or 11 will have completed their first year in an apprenticeship by the time they complete their HSC. There are many SBAT's available and interested students should complete an expression of interest form for both TAFE and SBAT after consulting the TVET Course Handbook and the Careers Advisors. There are currently 7 students undertaking SBAT's at the school and another 6 students in Year 10 studying at TAFE.

EOI forms for SBAT's will be available at the subject selection night.

The Department of Education and Communities is holding their next SBAT information evening on Tuesday 25th June 5.30 - 7.00pm at Campbelltown TAFE in the Restaurant F Block 181 Narellan Road Campbelltown. Interested attendees should contact Suzanne Taylor on either P:9203 9951 7353 or E:Suzanne.taylor22@det.nsw.edu.au to confirm their intention to attend, as a light supper will be provided.

**Apprenticeships and Traineeships Opportunities**

For those student thinking of leaving school at the end of Year 10 or Year 11 and 12 the Group Training Association of NSW & ACT is holding a free Information Night on Monday 17th June, 6pm to 8pm, Civic Centre, 91 Queen Street Campbelltown. This session is for parents, carers, school leavers and job seekers. Register at: [www.gtana.com.au/events/event/swsat](http://www.gtana.com.au/events/event/swsat). Enquiries 0297469333 or info@gtana.com.au

Current traineeships and apprenticeships with my MG My Gateway include Air Conditioning Refrigeration, Electrical Apprenticeship-Aboriginal Identified, Boilermaker, Carpentry, Spare parts Interpreter, Junior Business and finance administration, Junior Child Care, Textile Fabrication, Telecommunication and Warehouse Traineeships. For more information or to apply please visit our website [www.mygateway.org.au](http://www.mygateway.org.au) and click on job vacancies.

Electrotechnology (Career Start) Pre Vocation TAFE NSW Course No: 20214 National Code: UEE2211. This course provides pre-employment education and training for people seeking an apprenticeship or traineeship in an Electrotechnology discipline. There are no formal entry requirements. The course runs at Chullora, Granville and Miller. Compulsory information and Interview/Testing Session Monday 24th June at 10.00am at Miller College Building B Level 1 Auditorium. These sessions will take 3 hours, Successful candidates will begin Wednesday 17th July 2013.

*Mrs R Whitfield and Mrs M Noonan*

*Careers Advisors*
You are invited to a:

VOCATIONAL EDUCATION PATHWAYS INFORMATION EVENING

The aims of this evening are to:

1. Provide information about the VET courses that are offered across all three schools (Different courses are offered at different sites)

<table>
<thead>
<tr>
<th>School</th>
<th>Course</th>
</tr>
</thead>
<tbody>
<tr>
<td>Elizabeth Macarthur High School</td>
<td>Furniture Making</td>
</tr>
<tr>
<td>Elderslie High School</td>
<td>Construction</td>
</tr>
<tr>
<td>Camden High School</td>
<td>Hospitality—Commercial Cookery</td>
</tr>
<tr>
<td>All 3 schools in rotation</td>
<td>Primary Industries</td>
</tr>
</tbody>
</table>

2. Gauge the level of interest for these VET courses

3. Provide access to groups that assist students with VET courses and / or other Vocational Education pathways such as:
   - TVET—TAFE Delivered VET Courses
   - SBATs—School Based Apprenticeships and Traineeships
   - Apprenticeships
   - MWLP—work placement providers

DATE: Monday 17th June 2013
Time: 6pm—8pm
Venue: Camden High School Hall
What an EXTRAVAGANZA!!!

This term Creative and Performing Arts showcased the talents of many EMHS students in this year's Extravaganza. And what an Extravaganza it was!!

The talent, and sheer professional attitude and delivery from the students was the highest of any year we have had. The musicians were confident and presented sings which really got the audience engaged.

Year 9 Drama had the audience in fits of laughter as they performed their act, “SpaceJump!”

The dancers were elegant, energetic and extraordinarily focused as they delivered a range of performances showcasing a beautiful range of skills and techniques.

A BIG thank you to the Events Team who ensured the lights, sounds, props and chairs were all set up and monitored effectively.

The CAPA faculty are extremely proud and honoured to be working with such talented students. Thank you to all the parents/carers who came and supported their son and/or daughter.

Thank you to the Parents & Citizens Association, in particular, Mrs Kim Hope, for coordinating and staffing the refreshments stall.

This year’s Extravaganza was nothing short of amazing. We already can’t wait until next year!!

Miss K Pugliano

Head Teachers Creative & Performing Arts

ELECTIVES for Year 9, 2014

Many Year 8 students are currently undergoing the decision process of which electives to choose for 2014.

There have been an abundance of Year 8 students this year who have demonstrated a keen interest and wonderful skills and talents in the areas of CAPA.

To inform parents and students, CAPA will be offering for 2014:

- Visual Arts (200hr)
- Ceramics, Sculpture and Public Art (100hr)
- Photographic and Digital Media (200hr)
- Photographic Practices in Social Media (100hr)
- Dance (200hr)
- Year 9 Talented Dance Program (100hr)
- Drama (200 hr)
- Music (200hr)
Please feel free to contact us at any time to discuss any questions you may have about elective choices for your child. We look forward to seeing you at Subject Selection Night, Week 9, June 24.

Mrs A Szoboszlay & Miss Pugliano
Creative & Performing Arts  Head Teacher

Dance

It has been an exciting month for Year 10 Dance students as they performed at the South West Sydney Regional Dance Festival. These 16 dedicated students danced up a storm, as they represented our school at this prestigious event.

It was an absolute pleasure working with each of these students and I thank them for all of their hard work and dedication.

Kind regards,

Ms C Brown
Dance Teacher
SPORTS REPORT

School Athletics Carnival

The School Athletics carnival was held in Week 3 this term. Students participated actively in the events and staff and students worked together to make it a great day. Students have been advised to check for their names on the board near the PE staffroom to determine if they are part of the zone team. The Zone Carnival will be held at Campbelltown Athletics Stadium on Wed 26th and Thursday 27th June. Selected students need to collect a permission note from the PE staffroom. Parents are welcome to come and watch but will be charged a $2 spectator fee at the gate.

The Athletics Age Champions are as follows

<table>
<thead>
<tr>
<th>Age</th>
<th>Boys</th>
<th>Girls</th>
</tr>
</thead>
<tbody>
<tr>

Zone Cross Country Carnival

The Zone Cross Country Carnival was held in week in Week 5 this term and as a result Elizabeth Macarthur has several representatives at the upcoming Sydney South West Carnival.

The following results were achieved:

- Tanika Blake-Robinson - 4th in 12 year girls, Jack Edgington 5th in 12 year boys,
- Brayden Coleman 2nd in 12 year boys, Jarrad Wiley 3rd in 13 year boys,
- Khaled Bakka 4th in 13 year boys, Mackenzie Reily, 4th in 14 year boys,
- Jayden Carney 7th in 14 year boys, Andrew Lam 8th in 14 year boys,
- Jayden Lonergan 2nd in 15 year boys, Beth Pickwell 6th in 15 year girls,
- Ellen Baker 7th in 18 year girls, Clarisse Baker 2nd in 15 year girls,
Sydney South West Representatives

Congratulations to Travis Gibson and Dylan Atherton and Josh Atherton for being selected into the Sydney South West Boys Hockey team.

Well done also to Andrew Carter and Simon Carter. Andrew has been selected as a shadow player for the Sydney South West boys Softball team and Simon as part of the convenors team.

Boys Knockout Hockey- had a win in their first round match against Campbelltown High School winning 4-2.

Girls open soccer had a narrow loss in their first round match.

Ms K Griffiths
Sports Co-Ordinator, PDHPE
This edition of MacChat comes at a time when our faculty is re-designing its focus on Careers, Education and provision. We can write more when the final work is released but initial background study has brought up some points that I think are worth considering. We all accept that the nature of work and the jobs available are changing at a considerable rate to the extent that our children will have radically different job patterns to our own. This is not just some abstract idea but something our local community is already talking about. A recent report by a local business forum talked about the need for more highly skilled people in the Macarthur region and the need to attract businesses that employ them. Most of these jobs require further study, often university and so the question becomes how we can support our children in their aspirations.

Perhaps it’s worthwhile reporting some of the key findings of these studies to provide context. The first example was published late last year by the AMP company. Titled ‘Smart Australians: education and innovation in Australia’ it examined the career paths and job prospects of all Australians. There is much talk about funding and changes in policy but two items stood out: the long-term benefits of education and the changes we are already seeing in the post-school destinations. It is clear that the longer students stay in education and the higher the level they reach, the greater their earning potential (as shown in the graph, above). True, they can earn more if they leave school early on and get a job but this is only a very short-term advantage. The implications of this are clear – we need to support our students in making career decisions that extend their time in education and that they leave school seeing study as an integral part of their lives. If we take these ideas back into the school then it means
that students must be focussed on their school work especially in Year 12. We see many students with part-time jobs and this is a great way to earn some money and learn the lessons of participating the workforce but wherever possible it should not stop full time study. Year 12 (especially, but not exclusively) is a 40-hour a week job just as standard with most putting in overtime around exams.

The second report deals with the labour market in the region. Produced by the Federal Department for Education, Employment and Workplace Relations, it focusses on the current workforce and suggests how this might change. Macarthur is noted as one of the more important growth areas for employment; it is above the area average or youth employment which is encouraging. It is also very high in terms of those leaving school or training without any qualifications (see graph, above).

What messages do these and similar publications send us that we can use to guide our children in their future career paths? Perhaps the most important is that, whatever the employment path, it is going to be so much better the more education you undertake and the more qualifications you can get. Qualifications gain entry into a far wider range of occupations. As these occupations change so those able to study will have further advantages. If we take account of our region’s own business people then careers that focus on the hi-tech side will be in greater demand and so we can help our children understand what choices imply. We can even bring this message back into the school-time work by considering the hours of part-time work carried out. School is their first full-time job; we need to make it a great springboard for a successful future.

Dr Paul Ganderton

HT Teaching and Learning Faculty
On the 30th May I had the pleasure to travel to Albury with Sarah Watkins, Harrison Magann, Gregory Pereira, Zeke Simonds, Clayton Ray, Jackson Davis and Benjamin Minor as their responsible adult. The weather on Friday and Saturday was terrible only becoming sunny on the Sunday.

These young adults were invited to attend the Junior Heifer Show, to learn all about the Limousin breeds and how to work and show these beautiful animals. These young adults competed with mixed results:

- Jackson won Reserve Junior Judging in the Junior Section.
- Jackson and seven other young people coming second in the team competition.
- Sarah, Harrison, Zeke and 5 other young people coming first in the team competition.

The two best results were from Harrison winning Grand Champion Parader and Sarah winning the James Maxwell Memorial Award.

The group enjoyed themselves and learnt heaps. We all returned safe, but tired and ready to go next year if invited.

I would like to thank and congratulate these young adults on their behaviour and how good they worked together.

Also than you to Ms Westerhoff for lending us her car for the weekend.

*Miss J Watkins*
*Parent*

**Student Exchange – Memories and Skills for a Lifetime!**

Give your child the opportunity to gain international experiences and language skills to kick-start a future career. Along with distinct language benefits, exchange students mature, gain confidence and develop a much more worldly approach upon their return to Australia.

World Education Program Australia (WEP), a not-for-profit student exchange organisation registered with the education departments, is now accepting applications for students to live overseas in 2013/14 as exchange students for a summer, semester or year.

WEP is offering two **$3000 scholarships** towards semester-long student exchange programs to Argentina and China commencing in 2014.

**Find out more!**

Visit [www.wep.org.au](http://www.wep.org.au)  
Call 1300 884 733

Attend one of WEP’s information evenings and open days.
Celebrating Success

Year 7 Shine in the Appin Historical Society’s Children’s History Competition

David Baker, Brandon Lee, Tahnee Simpson, Chelsea Armstrong who achieved highly commended awards and $20 prize money each for their entries. All entries were on public exhibition at the Appin Historical Society Rooms. Congratulations also to all who participated.

Year 11 Welcome Year 7

Peer Support is an invaluable program in which Year 11 students give their time to run sessions with Year 7 students. Over the semester, Ms. Kirkpatrick coordinated twenty Year 11 students who ran three sessions to welcome Year 7 students to the school and help them to adapt to high school life.
Meet Our New History Teacher

Mr. Graham Hinds joined us in Week 5 and is a graduate of the University New South Wales. He has travelled throughout Europe and was previously teaching very successful Ancient History, Modern History and Business Studies classes at Georges River Senior Campus, Oatley. Mr. Hinds specialises in Rome and the Near East.

He also is a keen sportsman, being a racing cyclist and also playing squash.

Professional Learning for Our Teachers

The New History Syllabus (Years 7-10) -

Ms L Kirkpatrick, attended a day designed to prepare teachers to effectively implement the new syllabus in 2014. Teachers were inspired to think in innovative ways about using oral history and school developed depth studies to improve student engagement and learning outcomes. Ms Kirkpatrick studied History at Macquarie University and is one of our faculty’s specialist Ancient and Modern History teachers.
Lifting Achievement – Ms. Boreland attended a day around strategies to improve our results. The day focused on what research-based evidence tells us about effective teaching in junior and senior classes, what head teachers can do to lift achievement in their faculty and what school leaders can do to create the conditions for school success.

Early Career Teachers and What Makes a Good School – Ms. Boreland presented these courses in Sydney for teachers from across NSW. She worked with teachers, principals and other experts to design and write both courses. Ms. Boreland also sits on the NSW Institute of Teacher’s Quality Teaching Council (oversees registration of teachers) and the Initial Teacher Education Committee (oversees teacher training at universities).

Ms. C. Boreland
Head of History, Languages and Social Sciences (HSIE & LOTE)
Are you about to leave school? 
POST SCHOOL EXPOs 
for students with a disability

Time:
12.00pm – 4.00pm

Dates:
Wednesday 31 July 2013
Bankstown Sports Club
Level 1 Garrison Room
8 Greenfield Parade Bankstown

Wednesday 14 August 2013
Liverpool Catholic Club
cnr Joadja & Hoxton Park Rds
Liverpool West.

FREE Admittance • FREE Parking

Each EXPO will take a marketplace approach with stalls representing many Vocational and Community services and support networks for young people with a disability.

Come and talk to services about what is available when you leave school.

This is a great opportunity to meet providers and make appointments.

The EXPOs have been organised by the NSW Department of Education and Communities South Western Sydney Regional Support Teachers Transition (STT).

For Students with a disability
These EXPOs will give you information about:

- University
- TAFE
- ADHC funded Transition to Work Programs
- ADHC funded Community Participation Programs
- Getting a job
- Financial support
- Further training and education
- Traineeships / apprenticeships

Delve deeper in the Air Force
‘Anytime. Anywhere.’ is a new interactive film by the Air Force that allows you to see the Air Force in action. By clicking on items within the film you can meet personnel, study 3D renders of aircraft and find out what a typical day is like in the Air Force. Visit http://www.defencejobs.gov.au/anytimeanywhere/
Life is too short. You may as well get paid to do things that you love. And the first stepping stone to get you there is UOW. We're as excited about learning and growing as you are; so we're hitting the road to talk to you about your options and getting you to UOW!

At our Information Evenings, you can expect to get information on:

- Important dates and key things to remember for UAC applications
- Our Scholarships
- Our Early Admissions Program
- Our Bonus Points schemes
- The degrees and opportunities available for you at UOW
- Your options if you don't get the ATAR you need

Our Clubs & Societies and Accommodation

Our events are manned by UOW staff, students and academics so you'll walk away from these nights having all of your questions answered at the one place at the one time. We really encourage you to book to make sure you get a seat. Booking is easy using our Online booking form. In 2013, Information Evenings for Year 12 Students and Parents will be held at:

Camden Civic Centre
11 Murray Street
CAMDEN, NSW
6.30pm - 8.30pm

Book Now using our Online Booking form. See you there!
MyDay is your day at CSU

LEARN ABOUT YOURSELF!

As Marcel Proust, a late 19th century novelist wrote: “the real voyage of discovery consists not in seeking new landscapes but in having new eyes”. Volunteer to host an international high school student in July 2013 through Southern Cross Cultural Exchange and prepare to be amazed at the way this unique and rewarding opportunity helps your family to become closer, to understand themselves better and to see the world in a new light.

Carefully selected students will arrive in July for one or two semesters from France, Italy, Germany, Sweden, Norway, Denmark, Finland, Japan, and Spain. They will attend a local secondary school, arrive with their own spending money and comprehensive insurance cover – all arranged by Southern Cross Cultural Exchange. Visit us at our website www.scce.com.au, email scceast@scce.com.au or call us toll free on 1800 500 501, request our international student profiles, and capture the spirit of family and friendship.
BRING CULTURAL EXCHANGE INTO YOUR HOME!

STS Student Exchange are seeking Aussie families who are busy, friendly, interested in other cultures and willing to welcome an STS exchange student into their family. Aussie families come from all walks of life and all cultural backgrounds, that's what makes up our country. Our volunteer host families provide room & board and treat their host son or daughter as a member of their own family. Exchange students have their own spending money and medical insurance. While your exchange student is learning about Australian culture, your family members will learn about theirs. What a great way for your children to learn about another country!

CONTACT US TODAY TO START YOUR ADVENTURE IN STUDENT EXCHANGE!

Contact:
Alison Holderness (PT and owner of 'Infinity Health')
You can also find us on Facebook for more details
(0409 325 663 or alison.holderness@bigpond.com)

Alison is a wife and mum of 2 children. She also works as a Registered Nurse in the local area. She previously weighed more than 150kg and over the last 5 years has lost over 50kg. She has a detailed understanding of how it feels physically and emotionally to be overweight. She obtained her qualification as a Personal Trainer with The Australian Institute of Fitness so to help others who want to get healthy and lose weight but are unsure where to start. So come and train with someone who really does have an understanding of where you are at and can help you reach those goals.
UOW OPEN NIGHT 2013

Wednesday 3 July 2013
2pm - 8pm
University of Wollongong - Wollongong campus
It's time to get serious about choosing a university and a degree. Come and meet current UOW students and staff, and hear all about our degrees from the people who teach them.
Make a plan, pick your study areas, bring your parents and take a campus tour. We'll make things simple for you at UOW Open Night.
• Learn more about three different study areas
Find out everything you need to know about UOW Early Admission Program
• Join your parents on a UOW Campus Tour
Speak one-on-one with UOW faculty staff about what you’re interested in, and your course and career options.

book online today

OR call UniAdvice on 1300 367 869.

Open Night 2013 Event Parking

Please visit the UOW Open Night 2013 Event Parking page for the latest information on the best places to park and a map of the campus.

### Early Admission 2013 Program

UOW Early Admission is how you can get early entry into the University of Wollongong - before you receive your ATAR.

You’re doing well in school and your marks reflect this. Strong marks in relevant subjects and willingness to work hard means you’re ready to study at UOW.

**EARLY ADMISSION** Online applications open on Thursday 1 August 2013
Elizabeth Macarthur High School, we are focused on making a difference to the lives of the students we teach, enabling them to be innovative 21st century learners.

Elizabeth Macarthur High School values

- teachers with a high degree of professional practice and who are committed to achieving excellence in public education through Quality Teaching.

- a supportive and nurturing environment where the wellbeing of students is paramount and where students have the opportunity to fulfil their potential.

- a safe environment where rights and responsibilities are valued by staff and students.

PRIDE   RESPECT   RESPONSIBILITY
